Providing Support for
Welsh Exporting Success...

- Seminars explaining new Incoterms 2010 procedures.
- Advice for funding opportunities.
- Independent international assistance ...

**3 Levels
of Global
Service**

International Advice and Support

• Strengthen existing markets • Develop new markets • Win new exports

ECL offers three levels of Service:

1 Managed Service: *Management of existing international contacts, investigate new markets*

2 Support Service: *Find international contacts, market research, trade missions, access to international network of consultants.*

3 Project Support: *One off consultancy based on new or existing company initiative.*

Furthermore ECL provide seminars and workshops to keep abreast of new procedures, policies and initiatives.

With many years of experience of governmental international programmes coupled with tailor made business assistance, we can help you to look beyond traditional UK markets and expand your horizons...

Advantages for Exporters:

- Increase sales and profits
- Enhance domestic competitiveness
- Opportunities to diversify
- Expand production (Lower unit costs)
- Increase product lifecycle
- Offset seasonal fluctuations in demand
